

M6651 Self Stor Kelfield is an existing storage facility in Etobicoke, Ontario. Monster Minis added 5 new storage buildings to match the original storage buildings on site. While the exterior walls are masonry, the roof framing, support framing, partition cladding and roll up doors were supplied and installed by our forces. Having completed the original storage buildings years earlier, Self Stor was happy to have Monster Minis return to add more rentable square footage to their site.

Project Information:

- Self Stor Kelfield, Etobicoke, Ontario
- www.selfstor.ca
- 5 self storage buildings totalling approx. 18,900 sqft
