

M6517 McConnell Mini Storage is a collection of 10 portable self storage buildings, each with two 10' x 10' rental units providing 20 units in total. Each building incorporates height adjustable feet to accommodate any gently sloping site. When empty, the buildings can be easily relocated with the use of a forklift. The building floor, walls and roof are all framed using Galvanized G-90 material for enhanced protection.

Project Information:

- McConnell Mini Storage, Cornwall, Ontario
- 10 portable self storage buildings
- 2 rental units 10' x 10' in each building
